Guidelines to authors

Authors are requested to submit their abstract/full-length manuscript in the given format by the notified due date through the Google forms shared.

1. **Submission Portal: Google Form**

2. The maximum page limit for the full-length manuscript is - 6 pages (including references).

3. The official language of the IRFA-2024 is English.

4. An abstract template is available: Abstract template.

5. A full-length paper template is available: Full-length paper template.

6. A template for an oral presentation is available: PowerPoint template.

7. A template for the poster presentation is available: Poster template.

8. The authors will present their work at the conference as per the format recommended by the committee (oral presentation or poster presentation).

9. All the abstracts / full-length papers will undergo a review process, and accordingly, selection/rejection emails will be sent to the respective authors (plagiarism: less than 15%).

10. All abstracts and full-length manuscripts received in time will be provided in electronic format at the time of the conference as a book of abstracts.

11. The organizers of the conference are currently working to find a reputed international publisher to publish the conference proceedings. Once the process of publication is finalized, information on it will be communicated through the conference website. Only selected full-length papers will be published in reputed conference proceedings.

12. At least one of the authors must register per full-length paper/poster.

13. The accepted manuscript will be considered for possible publication in the Scopus/Web of Science indexed conference proceedings.
